*PRICE LIST OF
Evergreens, Fruit Trees
and Plants*

FOR SALE BY

ELMER M. REEVES

NORTH-WEST OF I. C. DEPOT

WAVERLY, IOWA

ANNOUNCEMENT.

I have put in forty years of my life at my present location and have always kept in mind the good of my customers. Have made a constant study of plants and feel that I can give reliable advice as to what to plant and how to plan and plant home grounds and will gladly give advice as to beautifying the home grounds of customers.

In making these prices I expect to meet any reasonable competition and will gladly correct all mistakes made and replace trees that are unsound or not in good condition when delivered. I want your trade, and can and will do better by you than traveling salesmen can possibly do. Trees will be packed and delivered at depot or express office at rates given in this list, but on large trees the cost of box will be charged. Terms are cash before shipment unless otherwise arranged. Certificate of Nursery Inspection furnished with each order shipped. Write for prices on large orders.

Apples.

My apple trees are grown by grafting long scions on apple roots grown on my own grounds. This is the method that experience has shown to produce the best trees. The varieties are the hardiest and most valuable for this climate, and all trees are absolutely true to name.

All trees should be planted firmly in well prepared ground. Do not expect a tree to do well where a hill of corn will not grow and mature well. I make the uniform price on apple trees of \$40 per 100, which is below the present wholesale price, and allow the customer to make his own selection of varieties and sizes of trees. I have all sizes of most sorts up to six feet above ground when planted.

SUMMER VARIETIES.

Duchess, Yellow Transparent, Tetofsky, Red Transparent.

FALL VARIETIES.

Wealthy, Longfield, Patten's Greening, Eastman, Wolf River, Sugar Loaf.

WINTER VARIETIES.

Northwestern Greening, Windsor Chief, Tolman Sweet, Hibernial, Fameuse or Snow, Melinda, Salome, Delicious, Jonathon, King David and many others in small supply.

RHUBARB.

Pie Plant, seedling roots	\$.25
Strawberry and Mammoth, divided roots40

Peonies.

A choice collection of over forty varieties, among which are Finest White, Festiva Maxima, Rose Fragrans, Cinnamon, Victoria, Duchess, Lothair, El Esperence, Courine de Or. This makes a list of all the colors and some of the choicest sorts. Divided roots of the choicest at 50 cents each, or one dozen, my choice, for \$3.00.

Gladiolas.

This is a most satisfactory flower for fall blooming. Plant the bulbs at different times during spring to have a long blooming season. I have many of the choice varieties making a combination of the most beautiful colors, and while showy, are delicate and will last a long time as cut flowers. To encourage planting in quantity so as to get satisfactory results, I offer mixed lots of the choice sorts at less than wholesale price.

Mixed sorts	Per 100	\$3.00
Named sorts	Each	.05

Clematis.

Jackmanii (blue), Henreii (white), Madam Edward Andre (red)	Each	\$.50
Paniculata, small flowers, white, sweet scented, late	Each	.50

White Birch, cut leaved	1.00 to 3.00
Catalpa—5 to 6 feet	.25
Schwedlerii Maple (red bud)	2.00
Wiers Cut Leaved Maple	1.00
Teas Weeping Mulberry	2.00

Shrubs.

The following list of shrubs are well known and reliable. I have a good supply at 50 cents each. In some cases I can furnish small plants at 25 cents.

Snowball

Bush Honeysuckle, white or red

Bella Albida Honeysuckle

Climbing Honeysuckle, everbloomer

Morrowi Honeysuckle

Mock Orange (sometimes called Syringa)

Spirea Van Houttei (Bridal Wreath)

Spirea Arguta

Spirea Anthony Waterer

Spirea Billardi

Spirea Callosa (long feathery spikes)

Spirea Froebelli

Weigelia Rosea

Weigelia Eva Ratke

Snowberry, both red and white

Deutzia Gracilis

Cut Leaved Elder

Golden Elder

Japanese Barberry

Accasia (Moss Locust)

Caragana, yellow flowers (Pea Tree)

Tamarix Amurensis

Ealeagnus (Wild Olive)

Wistaria, a choice climber

Bitter Sweet, a native climber

Hydrangea Paniculata

Hydrangea Otaska (Hills of Snow)

Flowering Almond, both the pink and whi

Whahoo, a native shrub

Red Stemmed Dogwood

American Ivy (Virginia Creeper)

Lilacs. Of these I have the common white, purple, double blue, double white and several shades of red.

These make a list of plants that can be used singly or in clumps with good effect and all work well in landscape designs and many of them are good for hedges. A single shrub will add beauty to your yard, but a group, well arranged, is much better.

Evergreens.

Norway Spruce—I have several lots of Norway Spruce, running from one to three feet, at 25 cents to 50 cents each.

Scotch Pine—Three to five feet, 25 cents each. A good tree for wind-break.

Austrian Pine—Same as above.

White Pine—Three to six feet, at 35 cents to 50 cents. This is the great lumber tree and one of the most desirable of evergreens.

White Spruce—Three feet, at 50 cents each.

Arbor Vitae—One lot, three feet, at 25 cents. One lot, three to five feet, at 50 cents to 75 cents.

Ornamental Evergreens—Among the choice Ornamental Evergreens I have Colorado Spruce, Concolor Fir, Douglas Fir, Mengeis Spruce and Balsam Fir of various sizes at \$1.00 to \$5.00 each.

Red Cedar—A choice lot—3 feet-----\$.50

Hedge Plants.

Amoor Privet -----Per 100 \$25.00

Japanese Barberry—1 foot-----Per 100 25.00

Arbor Vitae, Norway Spruce, Spireas and various other plants are used for hedges.

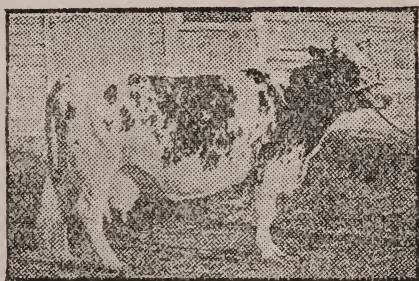

Nut Trees.

Black Walnut, 1 year, a good size to plant-----Per 100 \$2.00

Butternut, 1 year-----Per 100 2.00

American Sweet Chestnut—6 to 8 feet-----Each .50

We have a small herd of Holsteins headed by Carnation Matador Posch. A few young animals for sale.
